My Priorities

Building more diverse types of housing and increasing rental supply to ensure people who work here can find a home they can afford.

Expand existing transit and mobility options helping to reduce traffic congestion.

Creating more childcare facilities to reduce the need for parents to seek childcare in other jurisdictions.

ANGELA GIRARD

FOR CITY COUNCIL | NORTH VANCOUVER

I'm passionate about this City!

As a mom and working professional, I understand the struggles and sacrifices it takes for families, young people and seniors to live in North Vancouver.

I have close friends who, after 20 years, left for a more affordable community. I know professionals who work here but cannot afford to live here, and parents who must find childcare in other jurisdictions, adding to daily traffic.

Having spent much of my career resolving disputes and representing the concerns of homeowners, I hope to bring these skills to City Council.

My commitment to you, if elected, is to **listen to your concerns, advocate on your behalf and collaborate to find creative solutions.**

It would be my utmost privilege to serve you. I hope I can count on your support.
