

ANGELA GIRARD

RE-ELECT FOR CITY COUNCIL | NORTH VANCOUVER

Let's build a *caring community* together!

It begins with **small conversations about big issues** – with families trying to find affordable housing and childcare; with isolated seniors on fixed incomes looking for social supports; with business owners concerned for employees who struggle to live here or face long traffic commutes. It's about the time we take to **genuinely listen and care for those within our community.**

As a mom and working professional, I understand the sacrifices we make to live in North Vancouver. Having spent much of my career resolving disputes and representing the concerns of homeowners, I will continue to use these strengths on City Council, if re-elected.

My commitment to you is to **listen to your concerns, advocate on your behalf, and take steps to find solutions** to ensure our City is affordable, compassionate, and inclusive for all.

It would be my honour to continue serving you. I hope I can count on your support.
